

NEWBERRY SAND TERMINAL

Conveniently located in Lycoming County – Central Pennsylvania

ABOUT

The Newberry Sand Terminal is conveniently positioned by US Route 220 and near US Route 15 and Interstate 180 in Williamsport, PA. This facility was last used Marcellus Shale sand transloading, is ideal for any dry bulk commodities, and is ready for immediate use.

The SEDA-COG Joint Rail Authority and the Lycoming Valley Railroad (an affiliate of North Shore Railroad Company) have partnered to market the Newberry Sand Terminal to Central PA and beyond.
